

## PUBLIC WORKSHOP FOR IMPROVEMENTS TO THE INTERSECTION OF GUILFORD COLLEGE / COLLEGE RD & W. MARKET ST

SEPTEMBER, 2004

Newsletter No. 1

### ***Project Purpose***

The City of Greensboro Department of Transportation (GDOT) has developed an intersection improvement project for the intersection of Guilford College / College Road and West Market Street. We have scheduled the first public meeting to present you with our recommended intersection improvements.

Now is the time for you to talk with the engineers responsible for improving the roadway you drive on everyday and let us know your concern. Come to the meeting and GET INVOLVED.

### ***Public Workshop***

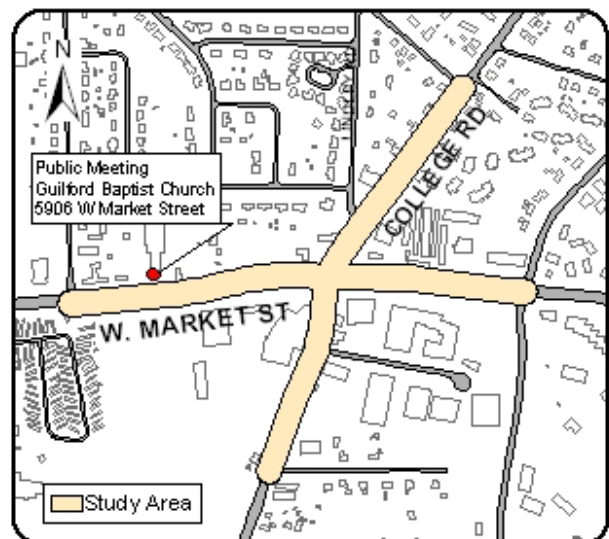

A Corridor Study Public Workshop for Guilford College/College Rd & W. Market St. will be held on **Sept. 23** from **5:00 PM to 6:30 PM** at Guilford Baptist Church Fellowship Hall on 5906 W. Market Street.

This workshop will be an informal drop-in session format and members of the Project Team will be available to listen to your comments and answer questions. If you have any questions, please call Chris Spencer at (336) 433-7218 or e-mail at [chris.spencer@greensboro-nc.gov](mailto:chris.spencer@greensboro-nc.gov).

### ***Project Description***

This project involves adding turn lanes, monolithic islands and sidewalks for pedestrian safety. Options currently being studied include:

- Widening for right-turn lanes along eastbound, westbound, and northbound approaches.
- Adding sidewalks along College Rd, Guilford College Rd, and Market St.
- Installing 4' concrete monolithic islands to all approaches
- Adding dual left lanes to eastbound and westbound Market St
- Marking a left-turn lane on College Rd for Lucye Lane
